

Introduced by Senator Margett

February 23, 2006

An act to amend Section 17070.20 of the Education Code, and to amend Sections 14620 and 15490 of the Government Code, relating to the State Allocation Board.

LEGISLATIVE COUNSEL'S DIGEST

SB 1585, as introduced, Margett. State Allocation Board: executive officer.

Existing law, the Leroy F. Greene School Facilities Act of 1998, requires the State Allocation Board to allocate to applicant school districts, prescribed per-unhoused-pupil state funding for construction and modernization of school facilities, including hardship funding, and supplemental funding for site development and acquisition. Existing law requires the Director of General Services to administer the act and to provide assistance to the board.

This bill would require the Executive Officer of the State Allocation Board, who would be appointed by the board, to administer the act.

Under existing law the Office of School Construction is within the Department of General Services.

This bill would establish the Office of School Construction and would provide that the office is under the direction and supervision of the Executive Officer of the State Allocation Board.

Vote: majority. Appropriation: no. Fiscal committee: yes. State-mandated local program: no.
